

## Expression of Interest for INRAE-Science New Zealand Joint Linkage proposals 2023

*Under the framework of the MoU signed on 30 March 2023*

**Lead Researcher (INRAE):** [name, classification level, email address, Research Unit name and code number, Research division]

**Other staff (INRAE):** [name, Research Unit, classification level]

**Lead Researcher (Science New Zealand):** [name, CRI (unit and location), email]

**Other staff (Science New Zealand):** [name, CRI (unit and location), email]

**Focus area from the MOU: indicate the relevant focus area(s) for the proposed project**

- Biodiversity and Ecosystem Services
- Healthy and Sustainable Diets including quality of food products
- Carbon neutral & climate resilient agri-food, forestry and natural ecosystems
- Sustainable soil, landscape and water resources
- Circular bioeconomy
- Indigenous people's aspirations for land development and sustainability
- and other areas and disciplines, or other related activities as may be of mutual strategic interest and benefit.

**Linkage proposal title:**

**Rationale for Investment: (word limit 500)**

Why this topic is important.

**Objective (word limit (500)**

What is the objective of this JLC partnership activity?

**Activity Plan: (word limit 500)**

Actions to be undertaken during the year.

**Approximate dates for exchange visit:**

Researcher's name, classification level	Research group	Location for visit	Start dates	Finish dates

**What will be the deliverables or outputs?****Capability development:****Budget and resource summary:****INRAE**

	Funds requested (in EU)	Brief justification
Travel		
Living costs		
Total		

**Science New Zealand**

	Funds requested (in \$NZD)	Brief justification
Travel		
Living costs		
Total		

**Note:** when budgeting only travel costs (flight + living costs) are eligible. The project must involve reciprocal visits of the INRAE and Science New Zealand partners.

**Support of line management or (within Science New Zealand) relevant authoriser shown by signature or letter of endorsement:****Submission**

Please submit your application to **both** coordinators:

- Jean-Francois Hocquette [jean-francois.hocquette@inrae.fr](mailto:jean-francois.hocquette@inrae.fr) for INRAE
- Anthony Scott [ce@sciencenewzealand.org](mailto:ce@sciencenewzealand.org) for Science New Zealand

Submissions due by **5.00pm, Tuesday 19 December 2023 (CET) / 6.00am, Wednesday 20 December (NZST)**
